We take great care to prevent cross-contamination when preparing your order in our kitchens. However, due to the layout and operation of our kitchens we do not have specific allergen free zones therefore it is not possible to fully guarantee separation of allergens, there is significant risk of cross-contamination in our buffer areas. We cannot guarantee your order is 100% free from any allergenic ingredient. Please let a member of our team know if you have an allergy or sensitivities to any ingredient, even if you have dined with us before. In our kitchens we have two fryers, one for chips and fries only and one for all other deep-fried products (non-chip fryer). Cross-contamination of allergens can occur in the non-chip fryer. If you would like further information on our cooking methods, don't be afraid to ask. Images are for illustrations purposes only.
