We take great care to prevent cross-contamination when preparing food in our kitchens. However, due to the layout and operation of our kitchen we do not have separate design 'safe zones' therefore it is not possible to fully guarantee separation of allergens. We do not guarantee allergen-free butter sauces. We cannot guarantee you will get 100% free from any allergenic ingredients. Please let a member of our staff know you have an allergy or wish to eat a particular event if you have dietary restrictions. In our kitchens we have hot trays, ovens for chips and fries only and one for all other deep-fried products (non-chip trays). Cross-contamination of allergens can occur in the non-chip tray. If you would like further information on our catering options, don't be afraid to ask. Allergies are for information purposes only.
